

Mazda MX-5 Cup Car Technical Service Bulletin #2021-02-23

Required: Muffler Delete Pipe – Updated Race Event at Sebring

This TSB describes: The Muffler Delete Pipe is required to be installed for the race at Sebring (we may also implement the Muffler Delete Pipe if there are any schedule changes and we deem the Muffler Delete Pipe necessary) This Muffler Delete Pipe reduces damage to both front and rear bumper covers. There is an 8LB difference from the Muffler Delete Pipe weighing 6LBS and the MX-5 Cup Muffler weighing approx. 14LBS. Please adjust total weight accordingly.

Note: Pending Mazda Motorsports Part number. You can buy this part directly from Flis Performance at this time.
