

Mazda MX-5 Cup Car Technical Service Bulletin #2022-01-13 #C

Optional: Shoulder Belt Extension Bracket

This TSB describes: Optional Shoulder Belt Extension Bracket homologated.

As of January 01, 2022 the Flis Performance Shoulder Belt Extension Bracket (Part #0000-08-5110-FPSH) will be the only homologated option for shoulder belt extension bars. **Please note all Shoulder Belt Extension Brackets are built to order.** All existing extension brackets must be approved by the Series Technical Director.
